“ We have very fond memories of your visits to NC. We still have the picture of Bill & Billie that Taylor wanted to take home from Ruby's house. I am sorry we are not able to drive Ruby up to the service but know that we all have you in our prayers and will miss Bill alot. He always had a smile and an open lap for Taylor and Kristina to climb up in when they were young. Our sincere sympathy and love to the entire family.

*“ I knew Bill for so many years and through many situations of work and family. At all times he was honest and dealt with everyone with honesty and fairness, many times not receiving the same in return. We offer our thoughts and condolences to the entire family, especially Jason and Kallum as their futures are lessened deprived of a good man.*
