“ *Jimbo was one of a kind, that's for sure. A big hug for everyone, a genuine want for his friends to do well and be happy. The ability to make you laugh with his words and his animated delivery of those words. I will also miss his passionate opinions about music, sports and politics. I miss you Jim, RIP my friend*

“ There are so many things to be said about Jimbo. He was always quick with a smile and no matter what was going on in his life, he was always in a good mood. If I were having a bad day, he'd always cheer me up with one of his hugs. He gave the best hugs! He was always there with an ear to listen and knew how to make a person smile. I've always said that he is one of a kind and there will never be another like him. He's gone too soon and he will be missed by all who knew him.

He was the one guy You could always count on whether it be to help with a project or lend an ear...Jim was there. I will miss You Brother..Love You, Ross
