“ Dear Family, Rejoice if he was in pain for now he is free of his earthly bondage, and rejoice if he was perfectly content, for he saw the love that he had planted blossom before his passing. He now lives within your hearts, and you can visit and talk with him everyday. All is good, all is God A donation will be made to the Alzheimer's Association Sincerely Jim Tomaszycski ps. I'm still arguing with my deceased father on the carpet I recently replaced for my mother- he wanted blue and I got green.
