“Dad, today is your birthday and you would've been 100 years old. I still miss you and think of you and mom every day. I still can remember all the fun times I had growing up as your daughter I remember going to Burroughs Farms. I remember the great times my three daughters had with you and their great memories. “ Dear Tucker family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one James Tucker. From personal experience I know that the death of a love one causes pain and grief and sometimes it seems unbearable. The Scriptures contain comfort that can assist us during times of distress. The ransom of Jesus and the hope of seeing my loved one again in the resurrection brought me comfort. I would like to share these three scriptures with you to give you comfort John 5:28, 29, Acts 24:15 and Romans 15:4. May the God of comfort give you peace and rest.
