

## James Walters

December 19, 1944 - July 7, 2018

It is with unparalleled sadness that the family of James Patrick Raymond Walters must announce the passing of their beloved father, brother, uncle and grandfather on Saturday, July 7th, 2018 at the age of 73 years. Jim had been fighting with Parkinson's disease for the past 16 years, and finally succumbed to related complications. Before his departure, he spent years battling Parkinson's, which included stepping in the ring with the Rock Steady Boxing program in Troy Michigan (<http://theboxingrink.com/rock-steady-boxing>) with his son's assistance. Michael Martelli and Barbara Deyo from Rock Steady Boxing and the entire crew became a huge extension of Jim's family and a powerful driving force in his steps through several recoveries. The Rock Steady Boxing program in Troy, Michigan is dedicated to assisting those with Parkinson's disease fight back through exercise, yoga, and fun. Jim was featured on the cover of the Detroit Newspaper and interviewed at length with his son Robert. Click here for complete article (<https://www.detroitnews.com/story/life/wellness/2016/08/15/parkinsons-boxing-therapy-treatment/88741266/>)>. Most importantly, if it wasn't for the entire families' support and especially the support of his beloved Amy Walters, Jim's final days would not have been filled with such comfort and love.

Jim was predeceased by his beloved wife, Carolyn, his mother and father Ann Beatrice and Clarence Frederick Walters, as well as his brothers Clarence F. Jr., Robert Raymond and George Joseph Walters. He is survived by his sons,

Darrin P. Walters and Robert R. Walters; daughters-in-law, Amy Walters and Erin Priest; his last brother, William J. (Bill) Walters; his grandchildren, Alannah, Justin Leah and Christian Walters; great grandchildren, Dawson and Evie; and sisters-in-law, Jane Walters, Mary Walters and Joan Walters Knoche. He was also uncle to Kevin, Stephen, Ann Marie, Patrick, Michael, Michelle and their children.

It was important to Jim and his brothers to note that Jim was only one (1) of a military family of seven (7). His mother was a Secretary to an Air Force General during the 2nd World War, his father was a United States Cavalryman, his oldest brother, Clarence, was in the Army Air Corps prior to the establishment of the USAF and his brothers, Robert, George and Bill served, as did Jim, in the United States Air Force.

Jim was active in the church at St. Mary's, Shrine of the Little Flower in Royal Oak and at St. Thomas Moore in Troy. He was active in the choir for many years, as well as being active in the Boy Scouts, serving as Scout Master of Troop 1634.

Jim later became active in the Masons and Shrine, and earned the degree of a 32nd-degree Master Mason, as well as serving his lodge in several officer seats throughout the lodge. Jim served his country, his community, his family, and his church.

Military honors will be rendered by members of the United States Air Force at 9:30 am on Friday, July 20, 2018 at Great Lakes National Cemetery, Holly.

“ I was diagnosed with MS (Multiple Sclerosis) four years ago, and despite taking various medications, my condition kept worsening. Last year, out of desperation, I tried a herbal treatment from NaturePath Herbal Clinic. I was skeptical, but within months, I noticed real improvements more strength, less fatigue, better mobility. I feel more like myself again. If you or someone you love is dealing with MS, I truly recommend looking into their natural approach. “ I've been living with Parkinson's disease for quite some time, and for years, I struggled to find lasting relief. While medications offered some temporary help, the symptoms always returned and often worsened. Out of a mix of hope and hesitation, I decided to try an herbal treatment program from NaturePath Herbal Clinic. I'll admit, I was skeptical at first. But around the fourth month, I began to notice real, steady progress. My tremors became less frequent the stiffness in my body eased My balance and coordination gradually improved It wasn't an overnight transformation, but it was consistent and life changing. For the first time in years, I feel more in control of my body. I can move with greater freedom, sleep more peacefully, and enjoy daily activities without the constant discomfort I once accepted as normal. The improvement I've experienced physically, emotionally, and mentally has been nothing short of upliftings. If you're exploring natural options for managing Parkinson's, I wholeheartedly recommend looking into NaturePath Herbal Clinic. Their approach has made a real difference in my life, and I'm truly grateful I gave it a chance. [www.naturepathherbalclinic.com](http://www.naturepathherbalclinic.com)

“ When my Alzheimer’s symptoms began to worsen forgetting names, losing my way, and struggling with everyday tasks I felt overwhelmed and frightened. Traditional medications offered limited help, and I started to believe there was nothing more that could be done. That’s when I discovered NaturePath Herbal Clinic. From the very beginning, their approach felt different. The team took time to listen, understand my symptoms, and tailor a natural herbal therapy specifically for me. Within a few weeks, I began noticing changes my thoughts felt clearer, I had fewer moments of confusion, and even my mood improved. My family noticed the difference too. While Alzheimer’s is still a part of my life, I finally feel like I have a sense of control again. NaturePath didn’t just offer treatment they offered hope, compassion, and genuine care. If you or a loved one is navigating Alzheimer’s, I strongly recommend reaching out to them. It could be the turning point for others [w [www.naturepathherbalclinic.com](http://www.naturepathherbalclinic.com)]
