“ *Mr. Wills was a patient of ours for many years. He was always a delight and so kind and funny with his many stories... quite an interesting man. I thought of him today with warmth and a smile. Rest in peace... you are missed.*

“ *We were Facebook friends and he told me several times that he has family in Cleveland, TN. I live in Ocoee, which is about 15 minutes from Cleveland. I'm going to miss all of the sweet messages that he always sent to me. I regret that we never met in person.*
