“ To Judy, Jake, & JoJo. We know it's been a very long 8 years for all of you. We will always remember your loving husband and father, Jim. He loved camping, and spending time with his family. He is at rest now, and leaves behind great memories, of the person he was, and what he stood for. To Judy, I wonder if they have remotes where he is?

“ Dear Sandy and family, I'm so very sorry to hear about your father's passing. I know how difficult this must be, but hope that in time all the good memories will come to overshadow the pain. Although I didn't know him well, he must have been a wonderful person given his four amazing kids. With love, Jen, Paul and the boys.

“ My beloved brother Jim will finally rest in peace. Our sincerest condolences to Judy and all Jim's kids & grandchildren. Jim & I were close when we were kids, and had many great times together. He was smart, witty, talkative, fun to be around and never gave up.

“ How very sorry I was to hear about Uncle Jimmy's passing. I have very fond memories of spending time with Uncle Jimmy when I was a kid and we would visit Detroit. I also loved the naughty stories Grandma Grace would tell about him. We would giggle at his exploits! My thoughts and prayers are with all of you. With sympathy, Doreen Wulbrecht

“ Condolences to the family; sorry we can't be there in person to pay our respects. Last saw Uncle Jim at my Dad's funeral a year ago, and he was as fun and interesting as ever, even in poor health! Glad I had a chance to reconnect and my children had a chance to spend some time with Jim as well. RIP.

“ My condolences to the family of Jimmy Wulbrecht. I was in the choir with "Woody" at Nativity. He had many friends and was well liked. "Woody" was quite fond of his voice and occasionally would bellow out with his song. He was fun to be around.

“ A thought came to me today the last time I seen Jim was at my Mother's Funeral in September of 2009. I thought that was very nice of him to be there. We talked about old times and some of our old friends. We called him Jimbo back then. FRED

“ *Jimbo... You will be missed. Thank You for taking such good care of my Sister. I have so enjoyed visiting with your Children and listening to their wonderful Memories of you. To Jake and Nurse Jodie, you too did such a great job taking care of Dad. I think its ok to go ahead and play a game of short stick hockey in the living room. and Jim its our turn to win at Jeopardy. Rest in Peace.*
