“ When I first met Jan, he came to work at Leonard & Co in a wheel chair because he had a smashed foot.....but then after a while he was able to walk again and come the summertime you could see his corvette parked outside.....that was his summer car....Jan was a good guy and he will be missed.

I never physically met JAN, but that didn't matter We started out trading bonds together over the phone and became great friends. I was born in Riverdale, ny and we used to talk about the old neighborhood.. The corvette, his family , his service during Vietnam and much more. I will miss his guidance and his friendship. My condolences to his family.
