“ To all of Jane's family and good friends:

Your precious mother, grandmother and special friend will surely be missed. I am so sorry for the loss you will feel because of her death. I will miss her, also.

Jane was wise, witty, generous, hospitable and intelligent, and a lot of fun!

My last visit with her was just a few days before she died, and we had such a good conversation. Before I left, we prayed together and I gave her Holy Communion. She prayed silently and then, aloud, naming many of you and asking Jesus to bless and help you in very particular ways. Not this time, but at other times, she would also sing hymns from her early life. Her memory and her faith were really special! What a privilege it is to know her! May Jane, in her new life with God, continue to bless and influence all of us who love her.

*Condolences and prayers,
Sister Noreen Ellison, SC*

“ *Aunt Jane, as all us friends at Rosebud called her, was the most fabulous woman. She loved to tell us stories about her life just as much as she loved hearing our stories. She was a wonderful friend with a big heart & a twinkle in her eye. Sending love to Annie, Phil & Nancy and all the family. I will miss you Aunt Jane. Sheri Mark*

“ *Our dear Mrs. Huber will be missed greatly! She was always so happy to see us Brabant kids. Every year she made all of us her famous bleu cheese spread for Christmas. For many years she hosted a Saturday breakfast for us with all the fixings. She filled a void for us after our Mom passed away. We loved her quick wit and sense of humor. She and Dr. Huber shared their built in pool (HAC) with the entire neighborhood. There were some great summer parties there. She also hosted wedding/baby showers for all the gals in the neighborhood. So generous with her time and her great culinary skills. When she decided to downsize and move from the Huber home on Bassett Rd, it was never the same. How fortunate we were to grow up in the neighborhood we did. Such great memories! To Phil, Nancy, Annie and extended family, our thoughts and prayers are with you. Love & hugs,
Suzanne (Brabant) & Hap Herpel 💕*
