“ When I was in HS you were like a second mom to me. I remember painting your kitchen window panes one day and you just stood and watched and we talked. You said to me, Andy, one day you will be able to do whatever you want to do, you can do nearly anything. I was so proud of her comment. She was a wonderful woman, so glad to have known her.

“ Judy,
Your Mother has sown her seeds on earth and they produced an amazing woman like you. Having had the privilege to know you leads me to believe that your Mother was a fine and good soul. May her memory remain forever a vision and feeling of joy, and also a praise of thanks for many wonderful years you shared with her in your life.
We have you and family in our prayers.

“ *Judy,*

I am so sorry to hear of your mother's passing. So sorry that you were in a dream I had last night. Our faith tells us that God is showering his blessings on you at this very moment as well. I pray that you will find peace and comfort in the love of all who know you and knew your mother during this sad and difficult time for you and your family.
