“ Dear Aunt Jean,

When I think about you I remember your sparkly smile and gentle way. Many happy memories during my childhood visiting with you during the summer months. You will truly be missed.....

“ Memories of love and acceptance.

My dear Aunt Jean was a role model for me with her warm, inviting welcomes and sparkling eyes. My second Mom.

Every time I rode my bike down to visit on Mae St., I left feeling that I was a special person. She was there with a hug when my Dad passed and then again when my Mom passed.

All my love and condolences to my wonderful cousins. She is smiling down.

“ *Warm ready smile, sparkling eyes, kind words for everyone, thoughtfulness. Summer vacations days in the big upper flat in Hamtramck, a big chocolate Easter egg filled with chocolates, a little girl's warm yellow chenille bathrobe birthday gift. Gardening tips, recipes. Laughing stories about trips they (my mom and Aunt Jean) took to Thrift stores and the treasures they found. Her love of reading novels. Listening to the two sister's conversations about past times when Aunt Jean visited mom at Cherrywood. Her love of family. The strength she showed in her struggles with aches and pain. She was a loving mother, godmother, sister, daughter and friend. These are just a few memories. A happy group in Heaven today.*
