“ I bet it's been about 7 years since I've seen Janet. I am truly saddened by this. She's a beautiful soul and her smile is always infectious. My heart goes out to her, her family, and the obvious many people she has touched.

“ So sad to hear of Janets passing. It's crazy that it's been 13 years of not hearing or seeing her and yet just seeing her smile in a picture instantly brings back her laugh in my head. My thoughts are with her family during this difficult time.

“ So sad to hear the news of Janet's passing. So many great memories of endless summer days and nights rollerblading, all the sleepovers, our short cut of running between houses to get to each other's house, your love for spiral Mac and Cheese, it had to be spiral, your big contagious laugh and funny dance moves. Rest peacefully XOXO

“ I am so sad to hear of Janet's passing. I remember playing travel softball with Janet. Especially the time we traveled to Georgia together for a tournament. Many fond memories.

“ I was shocked and deeply saddened today when I learned of Janet's passing. We lived on the same street growing up, went rollerblading for hours through the subdivision, and shared several classes together. Janet was one of the most intelligent in our class, always had excellent grades, and I can still picture her perfect penmanship. Rest In Peace my friend. Xoxo

“ So incredibly sorry to hear about Janet. During our middle school years we spent almost every weekend together listening to music on the "new" CD players, roller blading and saving our money to buy a new Aeropostal graphic t-shirt. She is part of many great memories I have growing up. Many thoughts and prayers to you during this difficult time. - Ann Meyer LeFiles
