“ My Dear, Dear Friend Janet. You had left us far too soon. I had the honor and privilege of knowing you. I will miss you tremendously, but you will always be in my heart. We had plenty of fun times and I truly cherish them. I know you are at peace and in a far better place. The world is a better place with you being in it.

“ Janet and I became friends several years ago when we lived next door to each other. Laughter, friendship and a good cup of coffee always triumphed over life's hard knocks. I was fortunate to speak with her a few days before she left us, so sad to know she is gone, but her spirit will endure with fond memories, including her dynamic laughter. Her struggle has ended with peace.
