“ I will always remember my dear cousin Jan (my Cuz) as a kind and friendly person. Jan was always nice to me. I remember many years ago when I was traveling in Spain and she was on a military base there. She invited me to stay with her and even went out to get me some chicken for dinner (I was starved when I arrived). She even told people on the military base that I was her brother while I visited and she treated me as if I was her brother. Thank you, Jan. You are at peace now. - Your cousin, Ted
