October 25, 1945 - December 11, 2024

Janice Markham, 79, of Cadillac, Mi. peacefully passed on into the arms of her Lord and Savior Jesus Christ on December 11, 2024. Janice was a loving wife of 56 years to her late husband Glen, beloved mother, and grandmother. She was born on October 25, 1945, in Otsego, MI. She graduated from Berkley High School and went on to receive her Master of Education from Eastern Michigan University. Janice stated several times that she loved being a teacher so much, that she never worked a day in her life. She spent most of her 30-year career shaping young minds at J.A. Lanigan Elementary School in Farmington, MI. She put on many plays, created costumes, and developed art projects that engaged her students' learning.

Janice was a member of the First Presbyterian Church of Cadillac. She had a beautiful singing voice. Janice sang in the church choir during her earlier years, went on to national singing competitions with Sweet Adelines, and put on many shows at the Palm Resaca Park in Brownsville, Texas in her later years. She was very spirited and outgoing. Janice loved and prioritized her family above all. She was thoughtful and spent time organizing school supplies and Christmas presents for children in need. She had a special way of sending little notes and meaningful gifts that let everyone know that she cared. Janice loved traveling with her husband. Together they visited all 50 states, several places in Europe, and went on extensive camping trips. Janice loved life. She laughed a lot and would often break out in song and dance! Janice had a deep faith in Jesus Christ. She let us know often that she wasn't

in a hurry but couldn't wait go to heaven. We will miss her here on earth. “ *Jan has been a huge part of my life since I was about ten years old. So many good memories, of her at our family gatherings. She loved children and they loved her. She loved to get out doors as long as not in the direct Sun, and she played with the kids. She had great indoor things too to entertain kids too. My kids loved her dearly. She hosted great gatherings without a thing out of place. She enjoyed life. I remember her performing at one of the shows there in Brownsville, it was a great show and you could tell everyone worked so hard on it. She was always grateful and enjoyed the little things in life, like a beautiful sunset, sparkling lake water. Rest easy Jan, so grateful to God that you were a part of my family. Loved you like my sisters.*

“ I remember Jan and Glen coming to our second house in Portage when I was probably in elementary school. They had a red convertible and asked if I wanted to go for a ride! She was so much fun to be around. It's a shame we didn't stay in closer contact. After reading her obituary, I can see she was a wonderful person. My heartfelt sympathy to the family.
