“ *There is no one like Janice/Mom! It's the little things, the small, everyday occurrences that I'll remember. The laughs, the stories, the smiles. And even though it seems like its hard to recover from your loss, it is the vivid memories that will help push forward the pain away and bring back the smiles we shared weekly. Loving you always!*

“ *I got to know Janis through my cousin Michael "Fish" Marlin. Janis was always a funny and kind and caring lady. She was with me when Michael passed 8/16/10 and I know he greeted her with a big hug when she arrived in heaven! God bless you. Lynn Hodur*
