“ Just read of Jerry's passing in the USCG retiree newsletter. So sorry for your loss. Jerry was my boss at the Coast Guard Institute in OKC in the 70's. I gave him flying lessons and he became one of my partners in the Aircraft Leasing business. It was a lot of fun:)

*Thanks for writing. My Dad shared several stories of fun times with me. I remember 1 story where he was flying at night and lost perception and had to rely solely on instrument panel during a crazy rain storm. I'm guessing you were flying with him. I believe you were in Ohio?

“ To the family of Jarold Carlton Sr: Please accept my sincere sympathy for the loss of your loved one. We don't know each other but experiencing the devastation of losing a loved one is something we unfortunately all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.
