

Jason Michael Christensen

January 18, 1984 - March 27, 2020

Jason Michael Christensen, age 36, of Clarkston, MI, passed away March 27th, 2020.

Jason was an avid video game enthusiast, loved family time and going to the movies.

He showed immense appreciation for the people in his life. His gratitude radiated as he lived and loved authentically, never disguised his feelings or judged others. He had a giving soul and was always looking to make his friends and family happy.

Jason didn't have the easiest life, but he sure did make the best of it. Through his developmental and learning challenges, he persisted with positivity and a wildly competitive nature. His love for his family grew greater and greater through the years. He appreciated his growing support system and showed his love through big bear hugs. Jason had a true admiration for you if he called you "trouble".

Jason paid attention to the simple things in life and made sure to enjoy them to the fullest. His aunt's homemade chocolate chip cookies, music of any kind, a walk through the park and let's not forget, Pokemon.

Pokemon shows, playing cards, video games, movies, all things Pokemon.

We may never know why Jason loved Pokemon so much. Maybe, like many others, he found it fun and entertaining. Or maybe he had a thirst for life's adventures and wanted to "catch em' all".

There's one thing for certain. Jason's family will forever enjoy a slice or two of pizza in his honor for he was pizza's biggest fan.

Jason was a man of few words, but when he started talking, he sure was animated. He loved to crack jokes and was amazingly witty. He had the ability to get the whole family riled up in a deep belly laugh. Jason's joy came audibly in the form of a slightly raspy snicker that was pure and infectious to all in the room (hehe hehehe).

Jason is resting in peace with his beloved father, Carl J. Christensen. His spirit will continue to live through his mother, Rhonda Christensen; his sister, Laurie A. Christensen; his grandparents, Karen and Alfred Christensen along with James and Della Staten; and his many aunts, uncles and cousins who all adored him. The family is planning a beautiful memorial in June when they are all able to travel safely to Michigan. Will there be pizza? The answer is a solid, "yes".

“ Jason loved music. Many times I took him to work we would listen and sing to whatever was on radio. He was a gentle caring man who would give or do anything for you!! He liked to see you smile and laugh, and he had a laugh that could make ya wonder what he was up too! I loved him and his playful spirit!! He will be dearly missed!! Our hearts are truly 💔.... “ *Jason will also be in my heart. We always enjoyed watching Hallmark Christmas movies and couldn't wait for them to come back and he watched the news with me. He enjoyed going to the park for picnics and when we would go for rides he would tell me he wanted to go on a big or little circle ride. He was very much loved at his home and I hope he has many pizza parties with his Dad.*

“ I remember Jason vividly at our past family reunions and get together he was always happy and had a positive attitude. Jason will be truly missed by his family and friends. Heaven gained a very gentle and kind young man the day Jesus called him home. Enjoy walks on those golden sidewalks until we meet again.
