“ I'll remember late night texting, talking about plants, and the couple times we went out for coffee. I have been thinking about you a lot these past few months. I know you struggled with your Dad's passing and I'm happy you got to spend your first heavenly Christmas with your parents. You will be missed. Thank you for being a good friend.

“ You are going to be so missed. Always had fun when you would post what you were grilling and I'd ask where mine was or tell you to head over with that food and I'd make you potato salad and baked beans. Rest in Peace Jason. I'm going to miss you
