“ I can only imagine the grief you both must be feeling for the loss of your son. My heart is aching for you and the only words of comfort I can offer is, he is free of whatever troubles he carried in this world, and his soul is now in a place of peace and love. I offer a green candle to represent his love of the outdoors.

“ Kevin and Mary, I remember the day Jason was born. I was there maybe a bit sooner then I should have been. I was so excited for you and I left work to come see your precious baby boy. I was there when they brought Jason into the room and handed him to his daddy for the first time. I won't ever forget the proud dad Kevin was. I felt like I was intruding on your special moment but honored to see such a moment of love. Kevin I saw that proudness every time you were with Jason hunting, re-enacting or riding those bikes together in pictures you posted. Jason was a wonderful kind young man and will surely be missed by all that knew him. Continued prayers for comfort and peace my friends.

Love you both 💕💕💕💕💕🙏
