“ Jayson, you have left an empty spot in our lives and family. I shall remember your quiet smile, your kindness to us "older folks", and willingness to help. You were fascinated with tractors even as a youngster oulling your younger cousins around with the trailer on Grandpa's lawnmower. Many times you were there to lend me a hand. Now I give you my love and prayers that you are truly at peace in God's everlasting love. Joe and Sue, may God, too, hold you close in His Hands and Heart. Jayson, don't let your meat..loaf! Keep Grandpa and Uncle Larry company until we meet again. Love...Aunt Dianne

“ *There are not enough words to use to describe the feelings and memories that I have for Jayson. Over the past years I have wanted dearly to contact you Jay and was to worried that I would bother you. I won't have that chance and I am deeply saddened. You and Joe were and will always be my favorite cousins and I will miss you with all my heart. Until we meet again and we will meet again may your troubles be given to God. Joe, Sue and Joe; All my love and sympathy go to you. Remember always that God has his plan and will be there to help if help is asked for. My family and I will always be here as well if there is anything at all we can do. Please do not hesitate to ask. All of our love, Tara Zech Bradshaw and Family*

“ *Jayson, It seems like yesterday when I stayed a summer with you guys down in Texas. You used to take me to the jump sight every morning so that I could watch how high you could make the jumps on your bicycle. From there you moved up to the much bigger "toys". You will be greatly missed. I am so glad that they finally made the "Cotton Candy" perfume that you and I would always joke about. Love You, Aunt Betty*

“ This is a sad day. I worked with Jason at PTM for a handful of years. He plowed our driveway on Arnold Rd. Gary from Richard's Auto Parts house out of the kindness of his heart. He was always good for a smile and a laugh. I always found him whenever I visited PTM to say hello and talk for a few. It's sad to learn he's gone. My condolences to family and close friends.

“ To the family of our dear nephew: There's so many great memories of Jayson. He loved Chevy's so we had to get him Ford emblems to tease him. We loved to tease him and he loved to dish it back to us. He had an innocence of shyness about him and the corner of his mouth would turn up to a gentle smile whenever he saw us. He always said that we were his favorite Aunt and Uncle but I'm sure he told everyone that. He will dearly be missed. May God be with his family during this difficult time and rest assure that God will be with him.
