“ I was a member at Christ Church many years ago when you and Jean first came to Christ Lutheran Church. It was a pleasure to meet you guys then, and a pleasure to know you all these years since; the church has always been my safe refuge, from my early years and even still today, Over the years pastors have always been a big influence in my life, from you Pastor Boone right up to today with my present pastor. God has guided me along my path and taught me how to minister to inmates in prison so they can change their life and become better people, and accept Jesus as their savior and get forgiveness. My heart goes out to you during this difficult time of loosing Jean, she was so special. May God continue to bless you and keep you safe on this journey.

“ David, I loved Jean too. So supportive of you and the rest of us pastors. I remember the times we spent at Paul Schubert's place and how different our wives were. I remember when Jon was born after that awful dinner at Salem Memorial. And I remember how caring and kind you both were to me through my divorce. You and I were a good team at St. Joes. I am certain your heart is broken at your loss, but in terms of a life's partner you had a good one. Somehow God does sustain us at times like this as I have always said it is our faith that is the most important thing about us.

Lean on yours my brother, I share your loss.

“ I know that I speak for the entire Omlie family on how sad we were to hear of Jean's passing. What a beautiful, kind, caring woman. Both Jean and Pastor Boone were/are amazing people. My folks Don (in the choir) and Shirley (organist) were dear, dear friends of the Boones. I remember get together's the church choir would have and the laughter that always filled the room. Us girls (Shauna, Stephanie and Elin) were so blessed to have you in our lives. Our thoughts, prayers and hugs go out to the entire family.

“ Mrs. Jean Boone's lovable laugh and calm demeanor will forever flow through my mind. Through high school and college I would visit with the Boones before heading out on an adventure with Jon - Jean would always warmly greet me and take a moment to hold space, I know she was calmly checking in to make sure we were making good decisions. Her grace and approach as a caring mother will always be remembered. Rest in Peace Jean and thank you for always checking in with me. Love, thoughts and prayers to The Boone Family.

“ *Jean (and Pastor Boone) were a big part of my youth and helped reshape the direction of my life. I remember well the dinners at the Boone household, going to Caseville and church on Sundays. Jean was always so caring and genuinely interested in how I was doing. And so patient to put up with mine and Jon's shenanigans at that age. She was terrific, and although I hadn't had the pleasure to spend time with her in recent years, I can only imagine what a wonderful grandmother and great grandmother she has been for her family. My deepest condolences to the Boone family.*

“ *The Boone family is in my thoughts and prayers. Jean was always so kind and friendly whenever we talked at Christ Lutheran Church. She had a beautiful voice and shared it with everyone on Sunday when she would read or sing during service. She will always be remembered for her kindness.*

“ *Jon, I was so sorry to hear about your mom. She was such a lovely lady (and I don't say that lightly). I will always remember the times in Caseville and how your parents always made us feel so welcome. I will pray for all of you and hope you can find comfort in your memories.*

“ *Thinking of all of you and sending sympathy and prayers. Not a summer of my life has gone by without enjoying conversation with Jean. So many Caseville memories of her and her kindness to our family, especially to my grandmother. She will be missed on Indian Trail.*

“ Dear Jon and Pastor Boone and family,
I was so sorry to hear about the passing of Jean. I've only had the pleasure of seeing her few times, but she was a beautiful and gentle soul. Always concerned about others. She always asked about my mom whenever I ran into her at American House. She was always someone I looked forward to talking to at family functions. I know when I told my mom of her passing she was truly saddened by the news. My love and prayers are with you all.

Love,

“ Our love and prayers to you Pr. Boone and your family. I always will think of Jean as a genuine, and warm Christian woman and a real lady. Spending time with her in person, or when I had a chance to speak with her on the phone while calling you, she always had that way of making you feel good and her genuine kindness was always, always there. Anyone could see when you two were together, that you were as one. What a beautiful thing to witness.

I pray, Pastor Boone, that God will hold you close, as I know He will. That He gives you the comfort and the peace that only He can give. God will continue to walk with you, until we meet our loved ones again in our real home for eternity ~ what a beautiful promise we have ~

“ Our love and sympathy to Pastor Boone and to the entire family. Mrs. Boone was such a beautiful person and brought so much love and compassion to everyone she encountered. I remember when I was young at Christ Lutheran, Jean's beauty, and beautiful voice singing in the choir or singing a solo was like having an angel among us! I am also so grateful for our conversations over the past years and her loving advice while my Mom was ill. What a blessing she was and will continue to be in the hearts of all who love her. "She opens her mouth with wisdom, and the teaching of kindness is on her tongue."
Rest well, kind and gentle women!
Much Love,
