“ Please accept our deepest sympathy in the passing of your loved one Jean. We remember her and the family as we were members of Augustana Lutheran Church in Detroit, MI. We were the first Afro-American family who joined the church in 1975 and we sat in the pew behind Don and Jean. We shared quite a bit of conversation back then as my husband was on Council with Don and they always fixing or repairing something in the church. I worked alongside Jean on altar guild duties with other ladies of the church. We grieved early one Sunday morning after Jean finished the altar as we learned of Don's death. We kept in touch over the years with Christmas cards and notes about family and friends too. Jean always shared the love of her family with us. I remember the birth of granddaughter Michelle, her U of M graduation, marriage and divorce. Later in the years the cards stopped coming at Christmastime and I lost contact with Jean. However, we have the fond memories. Once, in church I recall having made a comment about my girls and how tired I was and Jean overheard me and stated they may grow up but they will always need you, ohhh how true. I think she was speaking of her own boys needs too, she loved you guys so much. I simply had to express our fond memories. We ask God's peace be with all of you and we thank Him for the life of Jean, may she rest in peace.
