“ *I'm very sad at the passing of my grandmother. I have very fond memories of her that I shall always hold dear. I know that she loved my grandfather deeply and wasn't the same after he passed. I'm sure they are both at peace. I wish I could be there to pay my respects, but distance keeps me away. However, that does not mean that my grandmother and family are not in my thoughts and heart.*

“ *Dear Jean, I am saddened by the news of your passing. I will keep in my memories the good times that we knew first as neighbors and then as a family. I have always had a special place in my heart for Danny, then Frank, and now you will be there, too. I will keep you in my prayers and may peace be with you. Love, Anne*
