“ *Dear Snyder Family, I wanted to write and express my deepest condolences for your loss of Jean. Loosing someone we love is definitely one of the hardest things a human being can experience. Something that has always brought me comfort when facing the death of someone I love is the promise at Revelation 21:4, there it says, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Just imagine a time when all of your loved ones will once again be with you, and you will no longer have any reason to cry; that truly is a beautiful promise we can look forward to. I hope this message is able to give you a small amount of comfort at this trying time. Sincerely, Grace*

“ *Your laughs, giggles and smile brought energy to every gathering our family was lucky enough to be at with your presence. We have definitely gained many awesome memories that were captured through the years from such a great woman. You will definitely be missed, but will never be forgotten. God Bless you Jean we love you!*
