“ Just had to say a few words about our relationship with Jean. Jerry had a great friend at Fruehauf all those years. They shared many good times and memories and a lot of stories.. I first met Jean at one of the Fruehauf get-togethers and I knew what a good person she was. She never said an unkind word about anyone and always had a big smile. Thru the years seeing her at those get-togethers, Gathering Place for pizzas and our Meritor Parties. we have shared a lot of fond memories. Both our boys were in soccer and we did a lot of bragging about their games. she was always so proud of little Tony. I found out that Jean liked ladybugs and would get her something "ladybug" for when I next saw her. I even have a "ladybug rock" to give her..... At our last Meritor party I knew she wasn't feeling all that well, but she didn't want to talk about herself, only enjoy the day with friends and just smiled - that great smile she always had. I am sorry I wasn't able to attend the memorial, but she is in my thoughts and prayers. Tony you were her rock and she depended on you. I hope you know now that you can depend on your family and friends, because they love you and so do we. Lori Rogalski
