“ Dear Michael, Robert & James ~ I am so sorry to just now hear of your Mom's passing. I am the daughter of Barbara Geiger, who was an old friend of your Mom's. They worked at Fischer Body together. All of us as kids had met before, but that was quite a long time ago. I just want to extend my sympathies to all of you during this difficult time. I had not seen your mom in many many years. I do remember that she was a creative person, which I admire - you can feel blessed that she left behind pieces of her creativity for her family to remember her by, whether it was her painting or her writings. Those are some very precious gifts for you to behold. Your entire family will be in my thoughts and prayers. God Bless You.

“ To the family of Jeanette Foote: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" Rev 21:3.4 and assures us that God hears our prayers Ps 55:22. I hope this brings you some peace during this difficult time.
