“ Jeanette helped my mom around our home and watching my younger brother Dan and me. She was so friendly and we always looked forward to seeing her. I had the pleasure of visiting her in her home in Berkley about three years ago. She is missed.

“ My grandma was a remarkable woman and one of the strongest people I know. As a child, I would sit on her lap and ask to hear stories from her about her childhood. She would hold me and smile sharing memories with me. I loved spending time with her during the holidays (she was a wonderful cook) but I always knew to stay out of the kitchen! She loved our family and I will miss her so much!

“ Aunt Jeanette was my Godmother. She was a wonderful woman who unfortunately became a widow at an early age. Regardless of her situation ,her courage got her through tough times as she raised my 5 cousins. When I was a boy, my family and I would visit nearly every Sunday and we would be greeted with a smile, hot coffee and homemade baking. Lois and I want to pass on our condolences to my cousins and their families.
