“ Thinking of all of you at this sad time. I remember meeting your dear Mother and what a delightful lady she was! My Mother, Kitty Falcon, used to walk over to my Aunt's house Anna Pauluk who lived across the street from your Dad and Mom and they used to come over and visit with your folks. My Mother spoke so highly of your Mom. May the memories you shared with her lighten your heavy heart once more. May she rest in peace. God bless.

“ *The few times I met your mother, I thoroughly enjoyed her company, wit and intelligence. Amazing how much energy was in that tiny little body! May you and your family keep her alive in your hearts through all your wonderful memories of her. And know that she is with God and will be there, watching over you, along with your father and sister.*

“ *Holding up all of you in prayer and reminiscing of memories of your mom/grandma. She was one of my first Sunday School teachers and such a dear Godly woman. So glad we were able to spend the day with her this past summer.*
