“ Yesterday she was here, full of life, full of laughter, full of love.
Today she is only a memory still alive in our hearts.
We never will forget her; the times she shared with us.
The memories that might have faded away are now in our hearts forever.
A part of her remains in the heart and in the soul.
In the sun as it brightens smiles and warms hearts.
In the stars as they sparkle in the sky.
we can be thankful she was a part of our lives and proud we were part of hers.
-Elaine DeLisle

We have over 20 years of memories that I could share but I'd be typing for hours if I did that.

*Jeannie was my best friend - I miss our crazy phone calls, sometimes 3-5 times a day. I miss her silly jokes and even teasing her from time to time. Life will never be the same without her here, but I'll carry her in my heart for the rest of my days. I love you JBoop to the stars and back!

“ 🌹 I grew up with Jeannie, living on Flanders in Detroit. We all celebrated those early childhood birthdays together and made precious memories. She even caught the bouquet at our wedding 50 years ago. 🌹 RIP Jeannie. You will be missed by many family & friends. 🌹
