“ Jeff was a great man. We shared so many good times at Gustavus, the races, the golf course, Lions/Vikings games and hanging out with your wonderful family. You always opened your house up to me when I visited from Fort Wayne. Though we lived miles apart our e-mails and phone conversations kept us going as friends. He is so proud of his boys and the family he always will love and support. I only hope to be half the father he was to his boys.

“ My deepest sympathies to Jeff's family. Because of an interview with Jeff, I was given a job moved to Michigan and worked with him for a couple of years. Jeff was always a patient teacher, willing to share his time and knowledge with anyone who asked a question. He spoke often of his family, and his love for his wife and the sons he was so very proud of. Even though we moved on to different jobs, he was one individual that always brought a smile to my face because of his quick wit and humorous personality. He will be dearly missed.
