“ Jeff, you were my first love and I adored you. So many memories coming back, like when we would go camping and hold hands, but the most beautiful and precious thing is you gave me our son and daughter and a wonderful grandson. You will always hold a special place in my heart and I know you are with my mom, dad and brothers and they are all looking after you in heaven. Rest in peace in heaven and know I will always love you and be thinking of you.

“ Our thoughts and prayers to your family. Though me and the kids did not know you very well, Rick always spoke highly of you. He always had a laugh and a smile when talking about some of the things the two of you would do. May you rest in peace.
