“ I'm going to miss you little brother. I know we didn't like the same things growing up and sometimes it was tough having a little brother who was three inches taller, but we did have a very special thing in common: our love for our daughters that went above and beyond anything. Sarah and Amanda were lucky to have a loving dad like you, Jeff. I wish we could have been closer as we grew older, but I was always proud to have a brother like you. I know you're not suffering anymore. Please tell mom and dad hello. Until we meet again, Jeff I love you.

“ Although our years together have been cut short, we were blessed to be able to share many good times and happy memories as a family. We were proud to call you our son-in-law. Our mutual love of hockey and the phone calls those games generated will always be treasured.

“ Sharon, Sarah and Amanda, Our thoughts and prayers are with you during this difficult time. I know for certain that we never lose the people we love, even to death.Â They continue to participate in every act, thought and decision we make.Â Their love leaves an indelible imprint in our memories.Â We find comfort in knowing that our lives have been enriched by having shared their love. Loss is the disappearance of something cherished, but memories can't be taken away.

“ Even though I had 2 older brothers - I always thought of Jeff as my BIG brother. It was so cool when all my friends wanted to go see him and his band and he didn't treat me like a little sister. His cool, straight demeanor changed completely when he became a Dad and I watched him look at his daughters so lovingly. Godspeed to you - my brother and my friend.

“Karen, Mike and family; I'm so sorry for your loss. My thoughts are with all of you. I hope you find comfort in cherished memories. I will always remember Jeff kidding around, making jokes, and most of all teasing you, Karen. He was such the big brother. I know you will miss him greatly.
