“ Today, I was thinking of you, Aunt Cathy. I was thinking about how immediately following a death, many people rally to support the family. But as time goes by the support fades away, the condolences cease, but the pain of the loss continues. I want you to know that the prayers for you & your heartache continue. Prayers for peace, wisdom, understanding & strength. You are not alone in your grief or your pleas. There are many praying with you & for you, still. Love, Heidi

“ My heartfelt condolences to All of Jeff's family. He will surely be missed. He had a good heart, he was friendly to everyone and had a great sense of humor. I have many memories of him that will always be special to me. I'll miss him. I found the following verse and want to share it. "During this time may sweet memories fill your heart and if your soul needs to shed some tears, then let them flow. If a laugh creeps in, then give yourself the gift. May time be your friend and give you comfort." My thoughts and prayers are with you.

“ We are both very sorry for the families loss. Jeff had a heart of gold and always went out of his way to make us feel like we were part of his family....that is a rare gift to have. Every time he saw me, he let me know how beautiful Sierra was turning out... We will miss his funny stories and Cowboy boots.
