

Jennet R. Johnston

November 17, 1968 - January 5, 2020

Jennet Renee Johnston, of Utica, died Sunday, January 5, 2020 at Beaumont Hospital in Royal Oak surrounded by love, family and friends.

Jennet was born November 17, 1968 in Royal Oak, Michigan. From the beginning, Jennet was a strong and spirited soul! Jennet made an impression and had many friends. She was an animal lover and never met an animal in need who she didn't try to help. She overcame some difficult times in life, but always came out stronger and able to use her experiences to help others.

Jennet loved her new little house and gardens, socializing with friends and family, her work, reading and, of course, her rescue cats. Jennet is survived by her parents, Gary and Pat Johnston of Traverse City, her brother Mike (Kathy) Johnston and her nephew Evan all of Lake Ann, MI, her Aunt Carol (Armand) Laurent of Palm City, FL and many other close family and friends. Jennet's family is very grateful for the support and care given at Beaumont Hospital, especially to the nurses in the Intensive Care Unit. We are also grateful to numerous other caring and supportive family members, friends and co-workers. Private family services will take place and memorial donations can be given in remembrance of Jennet to the Michigan Humane Society - Rochester Hills Center for Animal Care, 3600 W. Auburn Road, Rochester Hills, MI 48309. michiganhumane.org/rochester-hills-location/. The family is being served by Wm. Sullivan and Son Funeral Home of Utica. “ Jennet, I will miss you making every work day brighter, welcoming me with "HEYY GIRLIO!" each morning. Your loving spirit and great sense of humor were contagious. You have taught me to smile no matter what, be kind to everyone, and to help those in need through your actions. Your life was too short but you made a huge impact on those around you in the time you had. We will all miss you very much. Rest in peace, dear friend.

“ *Jennet was a fantastic person with a heart made of gold! She was such a fun, optimistic person who always saw the sunshine in life & the good in people. I could always count on her to go to Eastern Market, do "porch pots", go to craft shows & just wander around on a sunny day. Golf & bowling were always interesting, too. We shared a love of furry "kids" & would share stories of their antics. She will be greatly missed. My prayers & thoughts go out to to her family.*
