“ *My Dearest Aunt Jenny, From my earliest memories, you have been a constant source of reason and love in my life. The time that our group spent traveling the Western USA was such a special time. We mourn your leaving us but hope that you have gone to a better place. God Bless you!*

“ *Some of my favorite memories of Aunt Jennie were about visits to the Partyka's house at Christmas and Easter. There was always good Polish food and Aunt Jennie's famous coffee. The coffee was really strong because it was percolated on top of the stove. When Aunt Jennie moved to Royal Oak after Uncle Frank passed away, those holiday gatherings were no more. We'll always have those wonderful memories, Alice Phelps*
