“ Growing up in Huntington Woods, the Tendler family was a strong, positive force in my life. I have many memories with them. I will remember Jenny’s smile. Her big grinning smile. I’d like to think of you in beautiful serenity gazing upon torch lake with your amazing parents at your side. 💔

“ Lauren and Becca. Life has its ups and downs but it’s the love that we have for those special people in our lives that makes life worth living. Your mom was one of those special people. My heart goes out to you.
