“ To Jenni's family, i am so sorry for your loss. Even though i had never meet Jenni, I feel like i have lost a long time friend. We were friends on Facebook, and had alot of good laughs together, and also a few serious long chats about life. My thoughts and prayers are with you.

“ I have so many good memories of Jenny. To pick one out is hard. One of the best memories is when she first became an aunt. Jenny was so happy that she jumped on me and said "I'm so glad you made me an aunt and that your the mama. Jenny was and always will be my sweetpea. Jenny always loved when I brought Zakk over cause she loved taking care of him until he made a mess in his diaper. Feeding,dressing and playing with him she was there other than that she was out of there. I am so sorry for your loss of Jenny. She will always hold a special place in my heart and thoughts.

“ Jenni was a sweet girl and she always showed a smile when I was around her. She loved her kids, her boyfriend, and her cousin Lisa, who was always there to love her back. Rest in peace now Jenni and I know you are in Heaven now with your father.

“ Dear Sue - It seems like only yesterday that you were my neighbor and the kids were so small. When did they all grow up? I know you have faith and faith alone will get you through this. May your faith be strong enough to recognize that Jenny is finally at peace and will hurt no more, as she is in the comforting arms of God. Peace be with you and your family.
