

Jerri Grogan

February 2, 1960 - February 9, 2025

Jerri Mae Grogan, age 65, of Auburn Hills, passed away on February 9, 2025.

Jerri was born on February 2, 1960, in Orange, California. She spent her early years in California before moving to Amity, Oregon, where she graduated from Amity High School in 1978. Afterward, she relocated to Kalispell, Montana, where she met her future husband Larry, in 1992 working at Pizza Hut. Less than a year later, they became engaged and were married soon after in 1993. They completed their family in 1994 with the birth of their daughter, Amber. In 1998, Jerri and Larry moved to Michigan, where they made their home.

For nearly two decades, Jerri worked as a licensed optician at Costco. Outside of work, she enjoyed reading and painting suncatchers, but above all, her greatest passion was her family. She found joy in being a devoted mother to her only child Amber and was deeply devoted to her grandchildren, Joey and Annamae. She was excited to meet her granddaughter Kyleigh soon. Her strong faith in God guided her throughout her life, and her warm, radiant personality had the power to brighten any room she entered.

Jerri's love and light will be dearly missed by all who knew her.

Jerri will be remembered as the beloved wife of 31 years, Larry; loving mother of Amber (Ethan); proud grandmother of Joseph, Annamae, and Kyleigh; and

dear sister of Susan, Lori, Rebecca, Bobbi, John, and Brian. She was predeceased by her parents, Sam and Dolores Samson.
