“ As a neighbor I would see Jerry out walking his dog and always stopped to say HI! He was always very supportive of our golf outing that benefited the Caron's foundation which our grandson Owen suffers from!
Great guy!! Our prayers to the family, June, Jenny that we know. Wonderful family.
God please keep the Allen family in prayer and watch over them at this difficult time

“ Jerry, my friend and mentor, there are far too many memories to share! I will forever hold our conversations, whether they be on the road on a long distance dealer-trade, a golf cart cruising down the fairway, or just a perfectly timed phone call close to my heart. You helped shape me into the man I am today...and you did it through patience, guidance, and a whole lot of laughter! Rest easy dear friend!

“ I don't know where to begin, from his welcoming smile to his strong handshake. Never too busy to help someone in need. You were a welcome guest at the MAC and remained as family. A special thank you to your family for sharing you with us! There are so many memories of you and your charm and personality, early conversations of your boat, and your golfing ability. You never had a cross word for anyone even when you had to show up at 2:00 a.m. for our charity poker! I know I am a much better person knowing you and your selflessness and will miss you terribly. RIP Jerry, while you are up there make sure to give my nephew a great big hug!! My love and gratitude. Carol G.
