“ I grew up with Jerry and remember coming to the house visiting. I loved his dad because he had an old scotter and drove around sharping knives. I am now in Alabama for over 30 years but will always remember him especially when he had a 1957 Chevy.

“ Jerry was my Cousin, we were both born in 1956 and He was a very kind Soul/
I used to visit Jerry on Summer Vacation in Royal Oak and he was a musical expert!
I tried to stump him on songs but he was an expert and knew all the Lyrics!
May he rest in Peace

When I last saw Jerry back in th 1970's, he had suffered a mental breakdown and at times could not function. This is now 2023 and I am now living in Alabama for over 30 plus years. The 1970's were great and yes He really did know music but I did also. We could never stump each other. I pray that Jerry recovered from his mental condition and lived a happy life in his last days. I will always remember him.
