“ *Dear Diane and family, I was truly sorry to read of your loss in yesterdays paper. It's especially hard for us when someone our own age passes away. It makes us take stock of what is most important, and for most of us, it's our family. I' sorry that you and your husband will not have the pleasure of watching your grandchildren grow into the wonderful adults that our own children did and dancing with you at your son's wedding. I will keep you all in my prayers and hope that you have many happy memories to reflect on in the days to come.*

“ I know we all lost Jerry some time ago, but this is still a very difficult time. We can only imagine what the past few years were like for you as a family to see him slowly dissappear. I will always remember him as my other big brother fit and trim, giving me hugs or teasing me smiling all the while with those pretty white teeth. So many years and so many memories. He will always be a part of our family. May you find peace that he is in a better place and no longer is suffering. If they have a deer blind in heaven that's where I am sure he is.....doing what he loved.

“ Bill and I met Jerry and Diane in Caseville 3 doors down the beach and we became friends. Later we found out the they were also from our immediate neighborhood in Shelby. Jerry used to help Bill out in Difficult Situations he got into on the beach with his tractor. He always was down to help Bill out of his Tractor Troubles. Jerry was a very good neighbor and friend as Diane is also. We missed Jerry the last few years and are sad at his passing. Bill also died in December 07 and I think that Bill and Jerry are having a good reunion now. Leona

“ I want to send my condolences to all of you in the loss of your dear loved one Jerry. The Bible teaches that God is eager to bring back to life our loved ones who have fallen asleep in death. Job 14:14,15 "If an able-bodied man dies can he live again? All the days of my compulsory service I shall wait, until my relief comes you will call, and I myself shall answer you. For the work of your hands you will have a yearning." The hope of a resurrection can bring us great comfort. John 5:28,29a "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life," Sincerely, India

“ Dear Family, I know how it hurts when a loved one dies my heart goes out to each of you, please accept my sincere condolences. I have been comforted by our Heavenly Father's loving promise that he will reunite us with our loved ones by means of a resurrection on a paradise earth; John 5:28,29; Psalms 37:11,29. The Bible's promise has aided many to cope during these stressful times. May this precious hope that awaits us and your cherished memories, bring you a measure of comfort at this difficult time.

“ I am so sorry to hear of your loss. I worked with Jerry at Farmer Jacks. He was a great guy. I remember my first day in that store at 17 and Van Dyke. I did not know anyone, and Jerry made me feel right at home. That was the kind of guy he was.
