“ To Pat, Mike, Chris and Tracey. At times like this it's hard to know what to say when we lose a LOVED ONE. There is so much happening with the Perry family at this time. I only met Jessy once during the family reunion in Michigan, we talked briefly, for being ill he was in good spirits that day, i'm sure it was all the family being there and talking about old times with his brothers and sisters that picked him up. Tootie and I send our prayers and hope to meet you again sometime.

“ Many good memories of Jesse and Sally! I miss them both. Most of all is Jesse spending a lot of time outside on a ladder scrapping and painting the windows at 26324. He also spent a good many hours at the kitchen table drinking coffee, reading the paper, feeding the bird "Bennie" I think and of course talking to "Andy". Peace is with them both! I will always remember with a smile. God Bless.

“ Words can not express the deep love for my brother Jess. He holds a very special place in mine and Lois' heart and we will miss him so very much . I can only think of all the good times and wonderful memories of moments we shared in life as brothers. I cherish the many fun times and memories as young men when Jess and I would go hunting and fishing together. My wife Lois and I will also miss our telephone chats with Jess about everyday things. He is now resting in the hands of the Lord our God and let it be known that Heaven has gained an angel. And to Jess' children and grandchildren, may you find Love, Comfort and Strength from the Jesus our Lord and from ALL of your family and friends.

“ WOW, it has been so long. Thinking back I believe it was 1969 I lived close and use to walk over to the house. I guess it is good to keep in contact, because as we age our family start to pass on.
