“ Jessica was a great coworker and an even better friend. I remember being pregnant at the same time--her second, but my first--she gave me so much “first time mom” advice. Over the next few years, my daughter would often be a lunchtime visitor in our office--she was happier to see Jessica than me most times, because Jessica kept candy in her drawer! We got our girls together many times to play, and when my daughter was diagnosed with a chronic illness, Jessica was one of the first to reach out to offer support--she seemed to have endless energy and put so much of it toward helping others. The world will be a little less bright without her in it. My family’s hearts goes out to Matt, Katie & Lauren.

“ Jessica was a wonderful person full of life, spunk, smarts, drive and wit who loved her children and husband so very much. She was always active in her children's school and activities, and was very involved with the Girl Scout troop our daughters were in together (particularly as the "Cookie Mom"). The world is a little less bright without Jessica's light shining in it. What a privilege it was to have known her. -The LeBarre Family

“ Jessica had a heart of gold. Everyone who knew her loved her. I was so lucky to have such a great friend - words can not express how much I will miss her and what a great person she was. Jessica was a great wife and mother - she always did fun things with her girls and would invite my son and I along. So many great memories.

As a colleague Jessica knew her stuff and could be a tough cookie (and I respected her for that) but she'd join you in karaoke at the staff picnic on the same day. She fought the good fight; may Jess rest in Heaven and forever in through the memories of the many lives she touched.

I enjoyed working with you at OCC Auburn Hills Campus. You were always so bubbly, smart, funny, helpful... We also enjoyed having you for a kickboxing teacher; you were supportive of us "older" folks! We had some great laughs!

You will be greatly missed.

“ *I am so profoundly sorry to hear this news. Jessica was a truly delightful, smart and beautiful person who will be profoundly missed.*

I grew up with Jessica in Bangor and always found her to be so funny and kind. As a child, she seemed to me to be like a honeybee, always moving so quickly and dashing from one person to the next with a thoughtful word or goofy idea. We almost never stopped laughing. These were qualities she kept as she grew older; she went through high school like me—in a cloud of 80s hairspray and with a smile on her face.

I can't believe she is gone. Although it's been many years since I've seen her, she will never stop living in my imagination as a great example of someone who cared deeply for others.
