“ *I am so sorry and saddened to hear about Jill's passing. I worked with Jill at a few of the schools, she had a very creative mind and always came up with wonderful things to do with the children and gladly passed her discoveries along to anyone who wanted help. She really cared about people and She loved the children and she was loved back. I will miss her laughter and the fun times we had. I pray she is in a better place and in no more pain. Love ya girl!* ”
