“ I really enjoyed sitting at the Elks club with "Sarge" after golfing. We always had a great time laughing and enjoying a "soda pop". He will be missed!

“ I knew Sarge in school in Hastings, MI. When I last saw him at our 50th High School Reunion and sat across the banquet table from him and Bobbie Tolles they kept me in stitches..... he was the same entertaining, delightful not to mention, handsome person he was in high school. He will be missed. My deepest sympathy to his family.

“ Sarge, what a great person and neighbor. Always a friendly smile and pleasant greeting even if we hadn't seen each other in quite awhile. Had many laughs together in the locker room when we were team mates playing hockey. Gonna miss you. Helen, bless you and your family.

“ Having known Jim for over 50 years, he will always hold a special place in my memories. I remember the golf games, ball games and card games with a beer or two tossed in. You will be truly missed Jim, and your grandchildren will be deprived of not knowing you longer. I could see on FB and a few postings you were proud of them as well as your daughters. To you Helen, he had a good life and lived it to the fullest. GO BLUE.

“ Although I have only had the opportunity of knowing Jim for a short time, he stands out as one of the most pleasant people I have been around. Whether he was on my team on the golf course or at my table at the club, he was a joy to be around. My heart goes out to everyone who knew Jim because I'm sure we will all miss him.
