“ Dear Marilyn and Bob, I am so sorry about the death of your dear Mother. She was such a lovely woman and I counted every visit with her and your Dad very special. As you continue through life without their physical presence and their health needs you served so well, may loving care and concern from them be felt by you now. Their spirits are ever with you and they want to continue to bless you! Peace and love to you!

“ George and Joan will mark my memory forever through George's friendship with my father in law, Bud Beach, and the strong support he gave me at Manresa. There are special people we know who brought deep respect and love and George and Joan are one of mine. May they enjoy the pleasures of the love of God for eternity. They will be sorely missed here.
