“Joan you are so loved and will be so truly missed. Although we only knew each other for under two years it seemed a lifetime.

I was blessed to be not only your caregiver but friend and your sense of humor and quirky jokes made only beautiful memories. We could talk about anything and your advice I'll always hold dear to my heart. Your love for me and my family and how you cherished yours will never be forgotten. I love you and will so deeply miss you. I'm grateful that after my accident we kept in close contact and loved our late night conversations. Words truly can't describe the sorrow I carry in my heart and how much I'll miss you.

Heaven has truly gained one more beautiful, loving and gentle soul Angel. You are now free of pain and suffering and can watch over your family and loved ones. I feel so truly blessed to be part of that and will miss spoiling you on some of your favorite Polish foods.

I would love to be there but finally got to travel to visit my grandchildren that you as I were always interested in all they do.

Once again you are so truly loved and will be deeply missed and I'll cherish our times together and miss our conversations of my family and yours and your grandchildren who were your pride and joy.

Denis you have our deepest sympathy. If anything is ever needed please do not hesitate to let me know. I loved your Mom and loved our time together and the help I was able to provide. God Bless you and your entire family and this most sorrowful time and know Mom is at peace and pain free. She knew she was loved and that was what kept her going. Know she truly touched my heart and will be forever in it.

May God's Angels embrace you all and hold you closely to get through this most sorrowful time.

*Always,
Susan*

“ *Joanie was my "Mom" in everything she did for me and in every way she was there for me to offer friendship, fun and advice. I am heartbroken and I already miss the silly jokes we used to share and the shared meals from polish food to chicken shack. And then of course there was the ultimate Red Lobster! I watched her generosity with everyone from the mail person to her caregivers and we would sit for hours talking about the most diverse subjects. I loved her so very much and I know there is a special place in heaven for her where she will surely dazzle all the other angels. I love you "Mom" and will always be grateful for all of our special times. I will look for you in the rainbows and with all the cardinals I see knowing you are visiting me from beyond. I know you are dancing and happy and we shall see each other again on the other side. I love you with all my heart.*
