“ My Friend Jody- One of a Kind We met at the age of 18 years when we entered nursesÆ training at Highland Park General Hospital and became close friends. A special bond was formed and we remained close friends all our lives. Jody was a special human being with a dynamic personality. She was so much fun and she had such a good sense of humor. She was loving, caring, supportive and generous. We were roommates our last two years of nursesÆ training and I canÆt remember ever having an argument. Because of who she was, not I. We were inseparable, except when the Directress of Nursing decided to separate us and not allow us to go on affiliations together. Jody was passionate about nursing and was so proud to be a nurse. More than anyone I knew. She was an excellent nurse. Jody had a big heart and a huge capacity for loving. She loved her parents and siblings. When she met Budge, it was a love that would last forever. Then came the wonderful children and grandchildren. She was so proud of all of them. Jody was also the best kind of friend you could have. It was a privilege to have been a part of her life. I have lost my best friend but I know that she is free from suffering. Although I will miss her, I know she is in a better place. I can hear her saying ô ItÆs okay kid. I like it up here and IÆm just fine. IÆll be waiting for you. IÆm saving you a place. Love ya!ö Submitted with love by, Betty Jean Ronayne
