“ To the family Mrs. Barron was so good to all of us at St. Veronica's. She was everyone's "mom" we were sad to hear of her passing. I drive by the house nearly everyday because I'm back in the neighborhood and just smile thinking of all the great memories with Kim and Terri Kazanowski. Not to mention "back in the day", we would walk to school and she would always stop and offer us a ride. That was so cool. Just wanted to share that and offer up my condolences. You're in my prayers and God really does call home THE BEST! Peace, love and prayers for strength to all of the family.

“ To the family of Joann Barron: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" Rev 21:3.4 and assures us that God hears our prayers Ps 55:22. I hope this brings you some peace during this difficult time.

“ I hadn't seen Aunt Joann in years and was shocked to learn of her passing. I remember her as the sweetest person with the biggest smile. I know she was really my cousin but I think because she was a little older we called her Aunt. I remember all the times your family would stop in at my Dad's to visit us. Such a sweet family! I am so sorry for your loss!

“ *my dear Barron family, your family were neighbors to my family the Marshall's for many years, my sister Karen used to watch Shawn when she was just a tot. Shawn and I were reacquainted when my niece Shawn yes, my sister named her daughter after little Shawn had a Tupperware party several years ago. My husband Danny and I were extremely pleased to find out that Shawn and her father were both big fans of the local hockey team from across the river in Windsor. one day after a game the three of them kindly stopped in at our home in Windsor, Mrs. Barron happened to be with them. To all of you, I share these few memories - believing now as tears begin to flow that Mrs. Barron is at peace- amongst the angels like my mom, her heavenly presence certainly without pain watches over each of you as she now sits along side the father, the son and all the saints. these few thoughts of mine are heartfelt and true as Shawn & her Father are our friends. Tom Marshall & Danny Bulley Windsor, Ontario.*

“ Aunt Joann or A.J. as Kristen and I called her was the best aunt in the world. She had the kindest heart. She was the sister my mom never had. I have so many cherished memories of her--from the great times on Crescentwood- to the road trip to Myrtle Beach where Kim and I totally abused her and my mom--to the trip to Toronto where Shawn almost flew out of a taxi! A.J. has a lot of company in Heaven and she is just another angel to look over all of us! Love you!
